Please continue to assist us in providing each of our students with the greatest opportunity to be successful.

- Ensure your child arrives at school on time. Please be aware that any student, who arrives late to school while the test is being administered, will have to make up that particular test. Students who arrive late must wait in a holding area until testing is over.
- Get Plenty of rest each night before the test.
- Ensure your child eats breakfast daily at home or in our Breakfast Program.
- Remind your children how proud you are of them for their efforts.
- And of course, giving your child a hug, a kiss, and a warm smile, always helps set the mood for the day!

Respectfully,

Stephanie Rucci
