TOPIC: Erin's Law - Child Abuse Prevention

CHILD ABUSE PREVENTION MONTH
"THRIVING CHILDREN & FAMILIES: PREVENTION WITH PURPOSE"

 <p>IN THE LAST YEAR, 1 in 7 kids experienced child abuse or neglect.</p>	 <p>ALL ADULTS play a role in building safe, stable, nurturing homes and environments needed for a child's healthy development.</p>	 <p>PREVENTING CHILD ABUSE can also prevent other forms of violence. Abuse can lead to delayed brain development and other lifelong health problems.</p>	 <p>SUPPORTING family environments, parenting skills and stable family relationships help protect children.</p>
